Dear member, firstly you will be aware of the recent changes made to the General Data Protection Regulations (GDPR). As a Club, we want to make sure that we are able to remain in touch with you regarding club events and fixtures across the club, including International ticket options, meetings and social events such as dinners, reunions and sporting events, now these GDPR regulations have come into effect. If you do want to opt out of receiving these type of communications, please let us know. Otherwise, we will assume you do wish to be kept in touch. Secondly, under company law provisions, now we are a limited company we would like to be able to call AGMs and other General Meetings by way of email notification, assuming we have an email address for you, and again we will assume you consent to that unless you advise us otherwise.
